Authorized Body 204

Empowered by the Decision of the COSMT No. 11/2013 of 6.5.2013

Branch Office 0600 – Brno

PRODUCT CERTIFICATE

No. 204/C5a/2015/060-042211

In compliance with the enactment of Article 5a of the Government Decree No. 163/2002 Coll., that lays down technical requirements for selected construction products, as amended by Government Decree No. 312/2005 Coll., it is confirmed, that in case of the construction product

Manhole tops PREFAPLATE

Loading class A – 15 kN, B – 125 kN, C – 250 kN a D – 400 kN

of class of reaction to fire „F“ – without testing

manufacturer:

Prefa Kompozity, a.s.

INo: 2694 9881
Address: 615 00 Brno, Kulkova 10/4231, Czech Republic

Producer: Prefa Kompozity, a.s.

INo: 2694 9881
Address: 615 00 Brno, Kulkova 10/4231, Czech Republic

Plant: Prefa Kompozity, a.s.

INo: 2694 9881
Address: plant Brno – Dolní Heršpice
619 62 Brno, Havránkova 11, Czech Republic

Order: Z060070120

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, assessed factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the construction technical approval (STO);
- STO No. 060-041678 of 13.11.2015
- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned construction technical approval and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 060-042207 of 20.11.2015 containing the conclusion of the findings, assessments, test results and description (eventually sketch) of the product necessary for its identification is to be considered as an integral part of this certificate. The validity of certificate is limited under following conditions: manhole tops of C-250 kN class shall be supported over all their circumference and at least one of their dimensions shall be equal to or less than 900 mm; manhole tops of D-400 kN class shall be supported over all their circumference and at least one of their dimensions shall be equal to or less than 600 mm.

This certificate remains valid as long as the requirements given in the designated construction technical approval referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

The Authorized Body performs at least once per 12 months the surveillance of proper function of the factory production control according to Article 5a of the above mentioned Government Decree. If the Authorized Body identifies some failures, it is competent to cancel or change this certificate.

The person taking overall responsibility for this certificate:

Brno, November 20, 2015

Ing. Miroslav Procházka
Deputy Manager of the Authorized Body 204
